

**Welspun Flooring limited**  
**Statutory Audit for the year ended 31<sup>st</sup> March 2023**  
**Financial statements**

**INDEPENDENT AUDITOR'S REPORT**

To the Members of Welspun Flooring Limited

**Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of Welspun Flooring Limited ("the Company"), which comprise the Balance sheet as at March 31, 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Other Information**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Welspun Flooring Limited

Independent Auditor's Report on financial statements for the year ended March 31, 2023

Page 2 of 12

**Responsibility of Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

Welspun Flooring Limited

Independent Auditor's Report on financial statements for the year ended March 31, 2023

Page 3 of 12

- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;

Welspun Flooring Limited

Independent Auditor's Report on financial statements for the year ended March 31, 2023

Page 4 of 12

- (f) With respect to the adequacy of the internal financial controls with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position;
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts - Refer Note 27(C)(i)(a) to the financial statements;
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv.
    - a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 39(5) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 39(6) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
    - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - v. No dividend has been declared or paid during the year by the Company.

**Annexure 1 referred to in Paragraph 1 of the section on "Report on other legal and regulatory requirements" of our report of even date**

**Re: Welspun Flooring Limited ("the Company")**

**In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:**

- (i) (a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (a)(B) The Company has maintained proper records showing full particulars of intangibles assets.
- (b) All Property, Plant and Equipment were physically verified by the management in the previous year in accordance with a planned programme of verifying them once in three years which is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given by the management, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2023.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year except for inventories lying with third parties. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Inventories lying with third parties have been confirmed by them. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed.
- (b) As disclosed in note 11(b) to the financial statements, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks and/or financial institutions during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of audit of the financial statements, the quarterly returns/statements filed by the Company with such banks and financial institutions are in agreement with the books of accounts of the Company.
- (iii) (a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) of the Order is not applicable to the Company.

Welspun Flooring Limited

Page 7 of 12

- (b) During the year the Company has not made investments, provided guarantees, provided security and granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.
- 
- (c) The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) of the Order is not applicable to the Company.
- (d) The Company has not granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(d) of the Order is not applicable to the Company.
- (e) There were no loans or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(e) of the Order is not applicable to the Company.
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, there are no loans, investments, guarantees, and securities in respect of which provisions of section 185 and 186 of the Act are applicable and accordingly, the requirement to report on clause 3(iv) of the Order is not applicable to the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacture of yarn, carpet products and SPC (stone polymer composite) and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.

Welspun Flooring Limited

Independent Auditor's Report on financial statements for the year ended March 31, 2023

Page 8 of 12

- (vii) (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of goods and services tax, provident fund, employees' state insurance, income tax, customs duty, cess, goods and service tax and other statutory dues which have not been deposited on account of any dispute.
- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) In our opinion and according to the information and explanations given by the management, the Company has not defaulted in repayment of loans or other borrowing to or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) Term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares during the year under audit. The Company has made private placement of fully convertible debentures and has complied with provisions of sections 42 and 62 of the Companies Act, 2013 in respect of this private placement during the year. The funds raised, have been used for the purposes for which the funds were raised.

Welspun Flooring Limited

Page 9 of 12

- (xi) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no material fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/ secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of audit procedures.
- (xii) The Company is not a nidhi company as per the provisions of the Act. Therefore, the requirement to report on clause 3(xii)(a) to 3(xii)(c) of the Order are not applicable to the Company.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtained a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.
- (d) There are no other Companies part of the Group, hence, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

Welspun Flooring Limited

Page 10 of 12

- (xvii) The Company has not incurred cash losses in the current financial year. The Company has not incurred cash losses in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- 
- (xix) On the basis of the financial ratios disclosed in note 40 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) According to the information and explanations given to us, the Company does not fulfill the criteria as specified under section 135(5) of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and accordingly, reporting under clause (xx)(a) of the Order is not applicable to the Company.
- (b) The reporting under clause (xx)(b) is not applicable in respect of audit of Ind AS financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

**Annexure 2 to the independent auditor's report of even date on the financial statements of Welspun Flooring Limited**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Welspun Flooring Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

Welspun Flooring Limited

Independent Auditor's Report on financial statements for the year ended March 31, 2023

Page 12 of 12

**Meaning of Internal Financial Controls with Reference to these Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

**WELSPUN FLOORING LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**

**1. Corporate Information**

Welspun Flooring Limited (hereinafter referred as "the Company") is a public limited company domiciled in India and is incorporated under the provisions of Companies Act applicable in India. The registered office of the Company is located at D No. 6-3-609/147/A, Opposite Sri Chakra Apartment, Anand Nagar Colony, Khairatabad, Hyderabad, Telangana – 500 004, India. The Company is incorporated with its main objective to carry business of manufacturing and selling of Carpet Tiles, Stone Polymer Composite Tiles and other Flooring Solutions. The Company had commenced its operations and manufacturing with effect from September 13, 2019. ASDSA

The financial statements were approved for issue by the board of directors on April 25, 2023.

**2. Significant Accounting Policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented.

**2.1 Basis of preparation of financial statements**

The financial statements has been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time. The financial statements have been prepared on an accrual and going concern basis. The financial statements have been prepared on a historical cost basis, except for certain assets and liabilities that is measured at fair value as stated in subsequent policies

**2.2 Foreign currency translation**

**a. Functional and presentation currency**

The financial statements of the Company are presented in INR, which is also its functional currency and all items included in the financial statements of the Company are measured using the same functional currency.

**b. Transactions and balances**

Foreign currency transactions are translated and recorded into the functional currency using the exchange rates prevailing on the date of the transaction. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognized in Statement of Profit and Loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of initial transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

**2.3 Revenue recognition**

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods or services before transferring them to the customer.

Revenue excludes amounts collected on behalf of third parties.

*h*

## WELSPUN FLOORING LIMITED

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

The disclosures of significant accounting judgments, estimates and assumptions relating to revenue from contracts with customers are provided in Note 2.19.

#### Sale of goods

For sale of goods, revenue is recognized when control of the goods has transferred at a point in time i.e. when the goods have been delivered to the specific location (delivery). Following delivery, the customer has full discretion over the responsibility, manner of distribution, price to sell the goods and bears the risks of obsolescence and loss in relation to the goods. A receivable is recognized by the Company when the goods are delivered to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due. ~~Payment is due within 0-180 days.~~ The Company considers the effects of variable consideration, non-cash consideration and consideration payable to customer (if any).

#### Installation Service:

The Company provides installation services for the Flooring product to the customer. The Company recognises revenue from installation services at the single point of time because the customer receives and consumes the benefits at a one time/single point of time.

#### Contract balances :

##### Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

##### Interest Income

Interest income from the financial assets are recognized using effective interest rate method.

##### Other Income

Other income is accounted for on accrual basis except where the receipt of income is uncertain.

## 2.4

#### Government grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Grants related to assets are government grants whose primary condition is that an entity qualifying for them should purchase, construct or otherwise acquire long-term assets. Grants related to income are government grants other than those related to assets.

Government grants relating to an expense item are recognized in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented either under "other operating income" (Revenue from operation) or are deducted in reporting the related expense. The presentation approach is applied consistently to all similar grants. Government grants relating to the purchase of property, plant and equipment are included in liabilities as deferred income and are credited to Statement of Profit and Loss over the periods and in proportions in which depreciation expense on those assets is recognized.

## 2.5

#### Income Tax

The income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current and deferred tax is recognized in the Statement of Profit and Loss except to the extent it relates to items recognized directly in equity or other comprehensive income, in which case it is recognized in equity or other comprehensive income respectively.

##### Current income tax

2

WELSPUN FLOORING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Current tax charge is based on taxable profit for the year. The tax rates and tax laws used to compute the amount are those that are enacted, at the reporting date where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized.

Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the Balance Sheet, if and only when, (a) the Company has a legally enforceable right to set-off the current income tax assets and liabilities, and (b) the Deferred income tax assets and liabilities relate to income tax levied by the same taxation authority.

2.6

**Leases**

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

**Company as a lessee**

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

**i) Right-of-use assets**

The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognized, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets of 3 to 5 years:

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment. Refer to the accounting policies in Note 2.9 Impairment of non-financial assets.

**ii) Lease liabilities**

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments). In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement

2

WELSPUN FLOORING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made.

2.7 **Property, plant and equipment**

Property Plant and equipment except for freehold land are stated in the balance sheet at cost less accumulated depreciation and impairment losses, if any. The cost of property plant and equipment comprises its purchase price net of any trade discounts and rebates, and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected cost of decommissioning. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

Export Promotion Capital Goods (EPCG) grant relating to property, plant and equipment relate to duty saved on import of capital goods and spares under the EPCG scheme. Under the scheme, the Company is committed to export prescribed times of the duty saved on import of capital goods over a specified period of time. In case such commitments are not met, the Company would be required to pay the duty saved along with interest to the regulatory authorities. Such grants are initially recognized / added in the cost of underlying property, plant and equipment and a corresponding liability which is released to the statement of profit and loss based on fulfilment of related export obligations.

**Depreciation methods, estimated useful lives and residual value**

Freehold land is not depreciated. The property, plant and equipment acquired under finance leases is depreciated over the asset's useful life or over the shorter of the asset's useful life and the lease term if there is no reasonable certainty that the Company will obtain ownership at the end of the lease term.

For following items of property, plant and equipment, depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives as follows:

Assets	Estimated Useful Life (years)
Plant & Machinery	5 to 15
Material Handling Equipment	1 to 12
Transmission lines, cables and other network assets	40
Office Equipment	3 to 5
Furniture and fixtures	10
Computers and Servers	3 to 6
Vehicles	8
Electrical installation	5-10
Factory Building	30
Residential Building	60

The useful lives have been determined based on technical evaluation done by the management's expert which is equal to or lower than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted prospectively, if appropriate.

WELSPUN FLOORING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other expenses or other income, as applicable.

**2.8 Intangible assets**

Intangible assets with finite useful lives acquired by the Company are measured at cost less accumulated amortization and accumulated impairment losses. Amortization is charged on a straight-line basis over the estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

**Amortization methods and periods**

Intangible assets comprise of computer software which is amortized on a straight-line basis over its expected useful life over a period of five years.

**2.9 Impairment of non-financial assets**

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**2.10 Inventories**

**Raw materials and stores, work in progress, traded and finished goods**

Raw materials and stores, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials and traded goods comprises cost of purchases on weighted average basis. Cost of work-in progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory moving weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

**2.11 Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Assets**

**A. Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

**WELSPUN FLOORING LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

- For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income;

**B. Initial Recognition and Measurement**

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit or Loss.

**Cash and cash equivalents**

Cash and cash equivalents includes cash in hand, deposits held with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. For the purpose of statement of cash flows, cash and cash equivalents includes outstanding bank overdraft shown within current liabilities in statement of financial position and which are considered as integral part of company's cash management policy.

**Trade receivable**

Trade receivable are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.

**C. Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- i. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' in the Statement of Profit and Loss. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortized cost, contractual revenue receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount;
- For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 financial instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

**Financial liabilities**

**A. Initial Recognition and Measurement:**

Financial liabilities are initially recognized at fair value, reduced by transaction costs (in case of financial liability not at fair value through profit or loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortized cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair

WELSPUN FLOORING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

value through profit or loss. Liabilities from finance lease agreements are measured at the lower of fair value of the leased asset or present value of minimum lease payments.

**B. Subsequent Measurement**

**Borrowings**

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

**Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are recognised, initially at fair value, and subsequently measured at amortized cost using effective interest rate method.

**Derivatives and hedging activities**

In order to hedge its exposure to foreign exchange, interest rate, and commodity price risks, the Company enters into forward, option, swap contracts and other derivative financial instruments. The Company does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated.

The Company documents at the inception of the hedging transaction the economic relationship between hedging instruments and hedged items including whether the hedging instrument is expected to offset changes in cash flows of hedged items. The Company documents its risk management objective and strategy for undertaking various hedge transactions at the inception of each hedge relationship.

**(i) Cash flow hedges that qualify for hedge accounting**

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognized in the other comprehensive income in cash flow hedging reserve within equity, limited to the cumulative change in fair value of the hedged item on a present value basis from the inception of the hedge. The gain or loss relating to the ineffective portion is recognized immediately in profit or loss, within the statement of profit or loss.

When forward contracts are used to hedge forecast transactions, the Company designates the full change in fair value of the forward contract (including forward points) as the hedging instrument. In such cases, the gains and losses relating to the effective portion of the change in fair value of the entire forward contract are recognized in the cash flow hedging reserve within equity.

If the hedge ratio for risk management purposes is no longer optimal but the risk management objective remains unchanged and the hedge continues to qualify for hedge accounting, the hedge relationship will be rebalanced by adjusting either the volume of the hedging instrument or the volume of the hedged item so that the hedge ratio aligns with the ratio used for risk management purposes. Any hedge ineffectiveness is calculated and accounted for in profit or loss at the time of the hedge relationship rebalancing.

**(ii) Fair value hedges**

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognized in the statement of Profit and Loss.

When a hedging instrument expires, or is sold or terminated, or when a hedge no longer meets the criteria for hedge accounting, any cumulative deferred gain or loss and deferred costs of hedging in equity at that time remains in equity until the forecast transaction occurs. When the forecast transaction is no longer expected to occur, the cumulative gain or loss and deferred costs of hedging that were reported in equity are immediately reclassified to profit or loss within other gains/(losses).

**(iii) Derivatives that are not designated as hedges**

The Company enters into derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through profit or loss.

**2.12 Borrowing costs**

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. Other borrowing costs are expensed in the period in which they are incurred.

**2.13 Employee benefits****a. Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**b. Other long-term employee benefit obligations**

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss. The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

**c. Post-employment obligations**

The Company operates the following post-employment schemes:

- defined benefit plans such as gratuity, and
- defined contribution plans such as provident fund and superannuation Fund

**Defined Benefit Plans**

Gratuity obligations

11

**WELSPUN FLOORING LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The benefits which are denominated in currency other than INR, the cash flows are discounted using market yields determined by reference to high-quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in Statement of Profit or Loss as past service cost.

**Defined contribution plans**

**Provident Fund, Employee State Insurance Corporation (ESIC), Pension Fund and other Social Security Funds**

The Contribution towards provident fund, ESIC, pension fund and Social Security Funds for certain employees is made to the regulatory authorities where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations apart from the contributions made on a monthly basis.

**Superannuation Fund**

Contribution towards superannuation fund for certain employees is made to SBI Life Insurance Company where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from contribution made on monthly basis.

**Bonus Plan**

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

**2.14 Provisions and contingent liabilities**

Provisions for service warranties, volume discounts and returns are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Provisions for restructuring are recognised by the Company when it has developed a detailed formal plan for restructuring and has raised a valid expectation in those affected that the Company will carry out the restructuring by starting to implement the plan or announcing its main features to those affected by it.

WELSPUN FLOORING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

The measurement of provision for restructuring includes only direct expenditures arising from the restructuring, which are both necessarily entailed by the restructuring and not associated with the ongoing activities of the Company.

**Contingent liabilities** are disclosed when there is a possible obligation arising from past events the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

**Contingent Assets** are disclosed, where an inflow of economic benefits is probable.

**2.15 Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

**2.16 Earnings per share**

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares. (Note 33)

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**2.17 Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading

WELSPUN FLOORING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified twelve months as its operating cycle.

---

**2.18 Rounding of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest crores with two decimal as per the requirement of Schedule III, unless otherwise stated.

**2.19 Significant accounting judgements, estimates and assumptions:**

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements

**Critical estimates and judgements**

**i) Current tax expense and deferred tax**

The calculation of the Company's tax charge necessarily involves a degree of estimation and judgement in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process. The final resolution of some of these items may give rise to material profits/losses and/or cash flows. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. (Refer Note 25)

**Recognition of deferred tax assets**

The recognition of deferred tax assets is based upon whether it is more likely than not that sufficient taxable profits will be available in the future against which the reversal of temporary differences can be deducted. To determine the future taxable profits, reference is made to the latest available profit forecasts.

**ii) Provisions & Contingent Liabilities.**

The Company exercises judgement in measuring and recognising provisions and the exposures to contingent liabilities. Judgement is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual liability may be different from the originally estimated as provision. (Refer Note 31).

**iii) Useful life of Property, Plant and Equipment and Intangible assets**

Property, Plant and Equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management

h

WELSPUN FLOORING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology. For the relative size of the Company's property, plant and equipment and intangible assets (Refer Notes 3 and 4).

iv) Provision for Inventory

The Company writes down inventories to net realisable value based on an estimate of the realisability of inventories. Write downs on inventories are recorded where events or changes in circumstances indicate that the balances may not realised. The identification of write-downs requires the use of estimates of net selling prices, age and quality/condition of the down-graded inventories. Where the expectation is different from the original estimate, such difference will impact the carrying value of inventories and write-downs of inventories in the periods in which such estimate has been changed. Refer Note 7 for details of inventory and provisions.

v) Estimation of Defined Benefit Obligation

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) for post employments plans include the discount rate. Any changes in these assumptions will impact the carrying amount of such obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the defined benefit obligations. In determining the appropriate discount rate, the Company considers the interest rates of government bonds of maturity approximating the terms of the related plan liability. Refer Note 21 for the details of the assumptions used in estimating the defined benefit obligation.

vi) Government Grants

The Company has accrued income for Government grant related to fixed assets, in the ratio of related expenses, based on eligibility amount. Critical judgement is involved in determining whether the Company has fulfilled the conditions related to the grant. Estimates are involved in calculation of grant income where the eligibility amount is not confirmed by the government but application is made and the Company is complying all terms & conditions for eligibility. Further, key assumptions used in calculation of government grant to be recognized as income, receivables and deferred income include, the future sales growth rate, mix of inter and intra state purchases and corresponding input tax credit, utilization of input tax credit, indirect tax rates on the products, period of eligibility etc. Changes in the assumptions selected by the management could significantly affect the recognition of revenue, receivables and deferred income related to such government grants.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

	Year ended March 31, 2023 (Rs. In crores)	Year ended March 31, 2022 (Rs. In crores)
<b>Note 21 : Employee benefits expense</b>		
Salaries, Wages, Allowances and Other Benefits	48.90	51.52
Gratuity	0.37	1.73
Contribution to Provident and Other Funds	3.01	2.73
Employee stock option scheme (Refer Note 38)	(0.14)	0.25
Leave compensation	0.60	0.41
Staff and Labour Welfare	4.60	2.90
<b>Total</b>	<b>57.34</b>	<b>59.54</b>

The figures mentioned above are net off employee costs capitalised during the year ended March 31, 2023 amounting to Rs. 0.74 crores (March 31, 2022 : Rs 0.97 crores)

The Company has classified the various benefits provided to employees as under :-

**I. Defined Contribution Plans**

During the year, the Company has recognised the following amounts in the Statement of Profit and Loss:

	Year ended March 31, 2023 (Rs. In crores)	Year ended March 31, 2022 (Rs. In crores)
- Employers' Contribution to Provident Fund*	2.53	1.39
- Employers' Contribution to Employees' State Insurance *	0.25	0.27
- National Pension Fund*	0.21	0.96
- Employers' Contribution to Superannuation Scheme*	0.02	0.11
	<b>3.01</b>	<b>2.73</b>

\* Included in Contribution to Provident and Other Funds

**II. Defined Benefit Plan**

**Contribution to Gratuity Fund (Funded Defined Benefit Plan)**

The Company operates a gratuity plan through the "Welspun Flooring Limited Employees Gratuity Trust". Every employee is entitled to a benefit equivalent to fifteen days salary last drawn for each completed year of service in line with the Payment of Gratuity Act, 1972. The same is payable at the time of separation from the Company or retirement, whichever is earlier.

**Risk exposure**

These defined benefit plans expose the Company to actuarial risk such as longevity risks, interest rate risks, market (investment) risks.

**a. Major Assumptions**

	As at March 31, 2023 % p.a.	As at March 31, 2022 % p.a.
Discount Rate	7.50	7.29
Salary Escalation Rate @	6 %p.a for the next 5 years, 5% p.a for thereafter, starting from 6th year	6 %p.a for the next 5 years, 5% p.a for thereafter, starting from 6th year
Rate of Employee Turnover	For service 0 years and below 18.6% and For 1 years to 2 years 8.46% p.a. For service 3 years to 4 years 2.79% p.a. For service 5 years and above 4.67% p.a.	For service 0 years and below 24% and For 1 years to 2 years 8.00% p.a. For service 3 years to 4 years 3.00% p.a. For service 5 years and above 4.00% p.a.
Mortality Rate During Employment	Indian Assured Lives Mortality (2012-14) Urban	Indian Assured Lives Mortality (2012-14) Urban

@ The estimates for future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors.

**b. Change in the Present Value of Obligation**

Fair value of plan assets at beginning of the period	-	-
Contributions by the Employer	0.50	-
Fair value of plan assets at end of the period	0.50	-

d. Balance Sheet Reconciliation

	As at March 31, 2023 (Rs. in crores)	As at March 31, 2022 (Rs. in crores)
Opening Net (Liability)/ Asset	(2.61)	(1.49)
Expenses Recognized in Statement of Profit or Loss	(0.86)	(1.11)
Income / (Expenses) Recognized in OCI	0.03	0.02
Employer's Contribution	0.50	-
Net Liability/(Asset) Transfer In	-	(0.62)
Liability transferred out / divestment	-	-
Benefit/ Exgratia paid	0.37	0.59
Net (Liability)/ Asset Recognised in the Balance Sheet	(2.57)	(2.61)

e. Amount recognised in the Balance sheet

	As at March 31, 2023 (Rs. in crores)	As at March 31, 2022 (Rs. in crores)
Present value of Obligation	(3.07)	(2.61)
Fair Value of Plan Assets	0.50	-
Funded Status ((Surplus/ (Deficit))	(2.57)	(2.61)
Expense recognised in statement of profit or loss	-	-
Net (Liability)/ Asset Recognised in the Balance Sheet	(2.57)	(2.61)

f. Expenses Recognised in the Statement of Profit and Loss

	As at March 31, 2023 (Rs. in crores)	As at March 31, 2022 (Rs. in crores)
Current Service Cost	0.67	0.75
Past Service Cost	-	0.26
Interest Cost	0.19	0.10
Interest Income	-	-
Total Expenses recognized in the statement of profit and loss*	0.86	1.11

\* Included in Employee Benefits Expense

g. Expenses recognized in the Other Comprehensive Income

	As at March 31, 2023 (Rs. in crores)	As at March 31, 2022 (Rs. in crores)
Re-measurement		
Actuarial (Gains)/Losses on Obligation For the year	(0.03)	(0.02)
Return on Plan Assets, Excluding amounts included in Interest Income	-	-
Net (Income)/Expenses for the Period Recognized in OCI	(0.03)	(0.02)

h. The major categories of plan assets are as follows:

Particulars	As at March 31, 2023		As at March 31, 2022	
	Amount (Rs. in crores)	%	Amount (Rs. in crores)	%
Insurer managed funds	0.50	100.00	-	-

i. Expected contributions to post employment benefit plans for the year ending March 31, 2024 are Rs. 1.65 crores.

j. Sensitivity Analysis

	As at March 31, 2023 (Rs. in crores)	As at March 31, 2022 (Rs. in crores)
Projected Benefit Obligation on Current Assumptions	3.07	2.61
Delta Effect of +1% Change in Rate of Discounting	(0.27)	(0.24)
Delta Effect of -1% Change in Rate of Discounting	0.32	0.28
Delta Effect of +1% Change in Rate of Salary Increase	0.32	0.28
Delta Effect of -1% Change in Rate of Salary Increase	(0.28)	(0.24)
Delta Effect of +1% Change in Rate of Employee Turnover	0.07	0.06
Delta Effect of -1% Change in Rate of Employee Turnover	(0.08)	(0.07)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability/asset recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

k. Defined benefit liability and employer contributions

The weighted average duration of the defined benefit obligation is 11 years (March 31, 2022 -12 years). The expected maturity analysis of undiscounted gratuity is as follows:

	(Rs. in crores)				
Particulars	Less than a year	Between 1 - 2 years	Between 2 - 5 years	Between 6 - 10 years	Total
March 31, 2023					
Defined benefit obligation (gratuity)	0.19	0.18	0.61	1.26	27,771.11
Total	0.19	0.18	0.61	1.26	27,771.11
March 31, 2022					
Defined benefit obligation (gratuity)	0.26	0.13	0.43	1.05	23,188.82
Total	0.26	0.13	0.43	1.05	23,188.82

III. Other Employee Benefit

The liability for compensated absences as at year end is Rs.1.73 crores (March 31, 2022 : Rs. 1.30 crores).

**WELSPUN FLOORING LIMITED**

The carrying amount of above all items in note under "Fair value of Financial assets and liabilities" are considered to be approximately same as their fair value, due to their short-term nature and have been classified as level 3 in the fair value hierarchy.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

## (ii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(Rs. in crores)

Other financial liabilities	14(b)	-	-	1.99	1.99
<b>Total financial liabilities</b>		-	-	<b>1,004.62</b>	<b>1,004.62</b>

The above mentioned grouping into Level 1 to Level 3, is described below.

Level 1: This hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, exchange traded funds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (such as traded bonds, debentures, government securities and commercial papers) is determined using Fixed Income Money Market and Derivatives Association of India (FIMMDA) inputs and valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. The mutual funds are valued using the closing Net Assets Value (NAV). NAV represents the price at which the issuer will issue further units and will redeem such units of mutual fund to and from the investors.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted preference shares and security deposits included in level 3.

There are no internal transfers of financial assets and financial liabilities between Level 1, Level 2 and Level 3 during the period. The Company's policy is to recognise transfers into and transfers out of fair value hierarchy level as at the end of reporting period.

WELSPUN FLOORING LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Note 27 : Financial Risk Management

The Company's activities are exposed to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the Company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost.	Ageing analysis	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Future commercial transactions. Recognised financial assets and liabilities not denominated in Indian Rupee (INR)	Cash flow forecasting Sensitivity analysis	Forward Foreign Exchange Contracts
Market risk – interest rate	Long-term borrowings at variable rates	Sensitivity Analysis	The Company achieves the optimum interest rate profile by benchmarking borrowing rates that represent economic variables in which the Company operates. Further, the Company is eligible for interest subsidy of upto 8% p.a. on the term loans. Additionally, company has opted for interest rate swap to match its receivable profile.

The Company's risk management is carried out by a central treasury department under policies approved by the Board of Directors. Company's treasury team identifies, evaluates and hedges financial risks in close cooperation with the Company's respective department heads. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

(A) Credit risk

Credit risk arises from cash and cash equivalents, investments carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to wholesale customers including outstanding receivables.

(i) Credit Risk Management

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its financing activities, including deposits with bank and financial institution, foreign exchange transactions.

Trade Receivable

As per the Business Model, entire sales are made of Welspun Global Brands Limited (WGBL) a group Company.

Concentrations of credit risk with respect to trade receivables are limited, due to major customers being related group company which in turn have a large and diverse customer base. No single customer (other than the Group Companies) contributed for 10% or more of the revenue in any of the years presented.

As at March 31, 2023

(Rs. in crores)

Ageing of Trade receivables	Current but not Due	Less than 6 months	6 months to 1 year	1 - 2 years	2-3 years	More than 3 years	Total

Other financial assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks.

(B) Liquidity Risk

Liquidity risk refers to the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or other financial assets. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

(i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period

As at	March 31, 2023	March 31, 2022
Floating rate		
Expiring within one year (packing credit, bank overdraft and other facilities) (Fund based)	60.00	42.27
Expiring within one year (packing credit, bank overdraft and other facilities) (Non- Fund based)	147.35	134.35
Expiring within one year (commitment from Holding Company)	172.14	196.14
Expiring within one year (Term Loans)	56.12	27.67
Total	435.61	400.43

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Non utilised Non fund based limit can be utilised under Fund based limit. Maximum limit for fund based is Rs.135.00 crores (March 31,2022 : Rs. 110.00 crores) and for Non fund based is Rs.185.00 crores (March 31, 2022 : Rs.150.00 crores)

(ii) Maturities of Financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- all non derivative financial liabilities, and
- net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows.

As at March 31, 2023

(Rs. in crores)

Total	18.40	12.38	-	-	-	-	30.78

(C) Market risk

(i) Foreign currency risk

The Company undertakes transactions denominated in foreign currencies mainly towards import procurement of Capital Goods and Raw Materials; consequently, exposures to exchange rate fluctuations arise. The Company uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments, highly probable forecast transactions and foreign currency required at the settlement date of certain receivables/payables. The use of foreign currency forward contracts is governed by the Company's strategy approved by the Board of Directors, which provide principles on the use of such forward contracts consistent with the Company's risk management policy and procedures.

(a) Foreign currency risk exposure

The Company's exposure to foreign currency risk at the end of the reporting period in India Rupees are as follows :

	March 31, 2023			March 31, 2022		
Foreign Currency	USD	EUR	Others*	USD	EUR	Others*
Financial Assets						
Trade Receivables	-	-	-	-	-	-
Net exposure to foreign currency risk (assets)	-	-	-	-	-	-
Financial Liabilities						
Borrowing	15.81	-	-	14.86	-	-
Buyer's credit	22.04	-	-	15.65	-	-
Trade payables and provisions	20.57	0.48	0.02	40.54	0.44	-
Other financial liabilities	1.50	0.33	0.08	16.04	5.36	0.00
Foreign exchange forward contracts	(19.35)	-	-	(29.21)	(1.34)	-
Net exposure to foreign currency risk (liabilities)	40.57	0.81	0.10	57.88	4.46	0.00
Net open exposures (assets-liabilities) - assets (liabilities)	(40.57)	(0.81)	(0.10)	(57.88)	(4.46)	(0.00)

\* Others consists of GBP and CNY

Cross Currency Interest Rate Swap

Company has entered into INR-USD swap during FY 2020-21, details of which are mentioned hereunder-

INR Notional (Crores)	USD Notional (crores)	Maturity	On notional as on 31.03.23 (USD crores)	MTM as on 31.03.23 (INR crores)
175.00	2.38	31-Aug-25	2.12	(11.15)

(b) Foreign currency sensitivity

The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments and foreign forward exchange contracts.

	Impact on profit before tax	
	March 31, 2023	March 31, 2022
USD sensitivity		
USD - INR - Increase by 5 % (March 31, 2022 - 5%)*	(2.03)	(2.89)
USD - INR - Decrease by 5 % (March 31, 2022 - 5%)*	2.03	2.89
EURO sensitivity		
EURO - INR - Increase by 5 % (March 31, 2022 - 5%)*	(0.04)	(0.22)
EURO - INR - Decrease by 5 % (March 31, 2022 - 5%)*	0.04	0.22

\* Holding all other variables constant

(c) Fair value hedge

The Company uses foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments, and foreign currency required at the settlement date of certain payables. The use of foreign currency forward contracts is governed by the Company's strategy approved by the Board of Directors, which provide principles on the use of such forward contracts consistent with the Company's risk management policy and procedures.

As at March 31, 2023

Following tables disclose profile of timing of the nominal amount of foreign exchange forward contracts :

Foreign Exchange Forward Contracts	Less than 3 Months		3 months to 6 months		6 months to 1 year		Total
	Amount in crores	Average Rate (Rs.)	Amount in crores	Average Rate (Rs.)	Amount in crores	Average Rate (Rs.)	
Forward contracts USD- INR	0.22	82.64	0.01	82.37	-	-	0.23
Forward contracts EUR- INR	-	-	-	-	-	-	-
Total	0.22	-	0.01	-	-	-	0.23

As at March 31, 2022

Following tables disclose profile of timing of the nominal amount of foreign exchange forward contracts :

Foreign Exchange Forward Contracts	Less than 3 Months		3 months to 6 months		6 months to 1 year		Total
	Amount in crores	Average Rate (Rs.)	Amount in crores	Average Rate (Rs.)	Amount in crores	Average Rate (Rs.)	
Forward contracts USD- INR	0.22	75.88	0.16	77.04	-	-	0.38
Forward contracts EUR- INR	0.02	84.44	-	-	-	-	0.02
Total	0.24	-	0.16	-	-	-	0.40

(ii) Cash flow and fair value interest rate risk

The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like short term loans. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

(a) Interest rate risk exposure

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

Particulars	As at March 31, 2023	As at March 31, 2022
Fixed rate borrowings	-	-
Floating rate borrowings	842.13	867.71
Total borrowings	842.13	867.71

As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

	March 31, 2023			March 31, 2022		
	Weighted average Interest rate	Balance (Rs. in crores)	% of total loans	Weighted average Interest rate	Balance (Rs. in crores)	% of total loans
Borrowings	8.31%	842.13	100%	7.80%	867.71	100%
Net exposure to cash flow interest rate risk	-	842.13	-	-	867.71	-

(b) Sensitivity

Profit or (loss) is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	Impact on profit before tax	
	March 31, 2023	March 31, 2022
Increase by 25 basis points (March 31, 2022 - 25 basis points)*	(2.11)	(2.17)
Decrease by 25 basis points (March 31, 2022 - 25 basis points)*	2.11	2.17

\* Holding all other variables constant including change in interest subsidy

Handwritten signature or mark.

**WELSPUN FLOORING LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**

**Note 28 : Capital Management**

**Risk management**

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth. The Company's overall strategy remains unchanged from previous year.  
The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital investments.  
The funding requirements are met through a mixture of equity, internal fund generation and other long term borrowings. The Company's policy is to use short-term and long-term borrowings to meet anticipated funding requirements.  
Net debt are long term and short term debts as reduced by cash and cash equivalents (including restricted cash and cash equivalents) and short-term investments.

The Company's strategy is to maintain a gearing ratio within 3:1. The gearing ratios were as follows:

Particulars	(Rs. in crores)	
	March 31, 2023	March 31, 2022
Non-current borrowings	744.23	740.24
Current borrowings	97.90	127.47
Less: cash and cash equivalent	(11.25)	(2.25)
Net debt	830.88	865.46
Total equity	487.03	502.52
Gearing ratio	1.71	1.72

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants, in certain cases, may permit the bank to immediately call loans and borrowings. There have been minor breaches in the financial covenants in the current year, however the company does not expect any impact due to this. No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2023 and 31 March 2022.

**Note 29 : Segment Information**

The company is exclusively engaged in the business of manufacture and sale of Flooring products, which in the context of Accounting Standard 108 on Segment Reporting is considered to constitute a single segment. Thus, the segment revenue, segment results, total carrying amount of segment assets, total carrying amount of segment liabilities, total cost incurred to acquire segment assets, total amount of charge for depreciation during the year are all as reflected in the financial statements for the year ended March 31, 2023 and as on that date. The following table gives percentage of revenues generated from customers who has contributed 10% or more of the revenues (sale of products).

Particulars	As at March 31, 2023	As at March 31, 2022
Number of customers	1	1
Revenue from customers	98.95%	99.96%

**WELSPUN FLOORING LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**

**Note 37: Lease as lessee**

The Company has lease contracts for various items of other equipment used in its operations. Leases of other equipment generally have lease terms between 3 and 4 years. The Company's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Company is restricted from assigning and subleasing the leased assets. There are several lease contracts that include extension and termination options.

The Company also has certain leases with lease terms of 12 months or less and leases with low value. The Company applies the 'short-term lease' and lease of low value assets' recognition exemptions for these leases.

Set out below are the carrying amounts of right-of-use assets recognized and the movements during the year:

(Rs. in crores)	
Particulars	Right of use of assets
As at April 1, 2021	0.56
Additions	0.06
Depreciation expense	(0.30)
As at March 31, 2022	0.32
Additions	-
Depreciation expense	(0.25)
As at March 31, 2023	0.07

Set out below are the carrying amounts of lease liabilities and the movements during the year:

(Rs. in crores)	
Particulars	Total
As at April 1, 2021	0.58
Accretion of interest	0.15
Additions	0.06
Payments	(0.43)
As at March 31, 2022	0.36
Accretion of interest	0.03
Additions	-
Payments	(0.30)
As at March 31, 2023	0.09
Current lease liabilities	0.09
Non-Current lease liabilities	-

The following are the amounts recognized in statement of profit and loss:

(Rs. in crores)		
Particulars	2022-23	2021-22
Depreciation expense of right-of-use assets	0.25	0.30
Interest expense on lease liabilities	0.03	0.15
Expense relating to short-term leases (included in other expenses)	0.17	0.20
<b>Total amount recognized in profit or loss</b>	<b>0.45</b>	<b>0.65</b>

Considering the lease term of the leases, the effective interest rate for lease liabilities is 10%

The Company had total cash outflows for leases of Rs. 0.30 Crores for current year (Rs. 0.43 Crores for March 31, 2022).

There are no future cash outflows relating to leases that have not yet commenced.

The Company has several lease contracts that include extension and termination options. These options are negotiated by management to provide flexibility in managing the leased- asset portfolio and align with the Company's business needs. Management exercises significant judgment in determining whether these extension and termination options are reasonably certain to be exercised.

**WELSPUN FLOORING LIMITED**

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023**

**Note 38: Employees Stock Options**

ESOP - "On July 31, 2021, the Parent of the Company, Welspun India Limited (WIL) has made grants of 2,00,000 stock options ("ESOPs") under Welspun India Limited Employee Stock Option Scheme ("WELSPON 2005") representing an equal number of equity shares of face value of Re. 1 each in the WIL at an exercise price of Rs. 133.45 to certain employees of the Company. The ESOPs so granted, shall vest on four anniversaries beginning from July 31, 2022, the first vesting date, in instalments of 20%, 20%, 30% and 30% respectively. The options vested under each of the slabs can be exercised within a period of three years from the respective vesting date. During the current year, the company has reversed the liability amounting to 0.14 crores accounted in relation to employees who have terminated their services with the company. No additional expenses recognised for the year ended 31st March, 2023 (Expenses recorded for the year ended 31st March, 2022: Rs. 0.25 crore)

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

**Note 41 : Standards issued but not yet effective upto the date of Financial statement**

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated March 31, 2023 to amend the following Ind AS which are effective from April 1, 2023.

**(i) Definition of Accounting Estimates - Amendments to Ind AS 8**

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates. The amendments are effective for annual reporting periods beginning on or after April 1, 2023 and apply to changes in accounting policies and changes in accounting estimates that occur on or after the start of that period. The amendments are not expected to have a material impact on the Companies financial statements.

**(ii) Disclosure of Accounting Policies - Amendments to Ind AS 1**

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments to Ind AS 1 are applicable for annual periods beginning on or after April 1, 2023. Consequential amendments have been made in Ind AS 107. The Company is currently revisiting their accounting policy information disclosures to ensure consistency with the amended requirements.

**(iii) Deferred Tax related to Assets and Liabilities arising from a Single Transaction - Amendments to Ind AS 12**

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences. The amendments should be applied to transactions that occur on or after the beginning of the earliest comparative period presented. In addition, at the beginning of the earliest comparative period presented, a deferred tax asset (provided that sufficient taxable profit is available) and a deferred tax liability should also be recognised for all deductible and taxable temporary differences associated with leases and decommissioning obligations. Consequential amendments have been made in Ind AS 101. The amendments to Ind AS 12 are applicable for annual periods beginning on or after April 1, 2023.

**Note 42 : Re-grouping and Re-classification of previous year figures**

The figures for the previous year are re-arranged/ re-grouped, wherever necessary.
